

WEATHER TRAINING CLASS

ILLINOIS SEVERE STORMS

Safety and Observing Guidelines

**Presented by Meteorologist Chris Miller
compliments of the National Weather Service**

Thursday, July 9, 2020 at 11:00 AM

BOS Center SOUTH TERRACE ROOM

(Take the BOS elevator to level 2 and watch for signs)

This 60 minute training class will highlight the climatology of severe weather in the state of Illinois, severe weather safety guidelines, and will give a brief overview of severe weather observing / spotting techniques.

ALL attendees from ALL of our American Legion Family Conventions are invited to attend!
