The American Legion and Scouting

Boy Power Creates Man Power

Scouting fits admirably into the American Legion's Americanism program. Since both Scouting and the Legion are dedicated to service to the community, state, and nation, there is a great amount of common interest between the Legion Family and the Scout units they charter, which lends to mutual strength.

From the very beginning The American Legion and the Scouts of America have had a common bond. We both have been interested in preserving our American heritage. We have both stood for service to others through individual obligations. We both have a great desire to train boys to meet their responsibilities in a quickly changing world.

We both stand for a freedom with allegiance to God and Country. That is why The American Legion began its partnership with Scouting in 1919. We must work harder together in the achievement of our common goals.

VENTURING is for boys and girls ages 14 to 20 and is targeted to meet the ever changing needs to individuals in high school. The youth get to go on longer, more adventurous expeditions and learn about teamwork, planning, and leadership.

Daniel J. O'Connor

PARTNERS IN SCOUTING

“Our programs provide many outlets for wholesome, healthful activity for our young people, as well as an opportunity for them to learn of the principles and ideals upon which this nation was founded and through which it has risen to greatness among the family of nations.”

E.A. Blackmore

HOW THE LEGION CAN USE SCOUTING TO HELP MEET ITS OBJECTIVES

The Scouting program is an asset to any Legion Post.

Through the appeal of this time-tested program, Legionnaires have an opportunity to touch the lives of the youth of our nation and share with them the skills necessary to build a generation of young leaders ready and prepared to serve God and country.

Every Legion Post, regardless of where it is located, can charter a Cub Scout Pack, a Scout Troop or a Venturing Crew. Or, charter all three and have the whole Scout program for youth 6 to 20.

Through the Legion's own Scout program it can meet its objectives for training youth.

WE HELP AMERICA WORK

SUGGESTION: How to support Scouting other than the charting of a Scout unit; Provide leadership, housing, transportation, fund raising for camp flags. See your Scoutmaster! Support your local friends of scouting campaign.

Build pride in your Legion's support of Scouting, by assisting in the honoring of junior leaders, reuniting of early members, observance of Scout Week commemorating the birth of Scouting,

February 8, 1910, and participation in the Troops Courts of Honor.

Make sure that all Legion sponsored scout units have displays at the SCOUT - A - RAMA.

SCOUTING BROCHURES ARE AVAILABLE FROM YOUR AMERICAN LEGION, DEPARTMENT OF ILLINOIS HEADQUARTERS OR YOUR DIVISION BOY SCOUT CHAIRMAN FOR DISTRIBUTION.

A simple postcard to Department Headquarters at P.O. Box 2910, Bloomington, IL 61702-2910, will bring a supply of Scouting information.

SCOUTING brings together adults from all walks of life, for the common purpose of assisting youth to become better citizens. This is a noble work and you and your Post should be a part of it.

Support for Scouting projects comes from surprising sources, so don't let the lack of funds stop you!

Publicize what you and your Post wish to do, then get to work.

PARTNERS IN SCOUTING

SCOUT-A-RAMA**

These are but a few of the many ways in which the Scouts can be of service to the Post and community.

Additional information on the Scout Program is available in the Americanism Manual.

HOW THE LEGION WORKS WITH SCOUTING

TO LEGION MEMBERS

Scouting utilizes the service-learned skills and abilities of the veteran in building character and desirable habits in "Young America." It's a Post activity that brings public credit and good will to the Post. It provides the service-minded veteran with a channel for his services. It binds him closer to Legion activity. Legion-charted Scout units should be a "must" in every Post. *National Americanism Commission*

Under the direction of the National Americanism Commission, every Post, District, and Department is requested to appoint a Boy Scout Chairman.

Descriptions of the duties of each of these Chairmen have been developed. Copies are available from the National Americanism Commission upon request.

SPONSORSHIP - One out of four Legion Posts charters a Scout unit. Charting means maintaining adequate unit leadership, providing a place to meet, and giving supervision to program, finances, and equipment.

ADMINISTRATIVE LEADERS - Legionnaires make up a large proportion of the men who work in the background to make sure that all boys have the opportunity to be Scouts.

GETTING STARTED - A Post which is not in partnership with Scouting should CONTACT THE NEAREST BOY SCOUT COUNCIL OFFICE. Local council volunteer and professional Scouters know the needs of youth. They will gladly help determine which of the above types of cooperation are the best suited to the interests and talents of your Post.

THE "LEGION SCOUTER" PATCH

The coveted LEGION SCOUTER PATCH is an attractive Legion Cap Patch (it can also be worn on a Blazer) which clearly indicates to all, the fact that the wearer is truly a "LEGION SCOUTER." They can only be secured through your DEPARTMENT OF ILLINOIS AMERICAN LEGION HEADQUARTERS, with proper certification from your Post. The cost is only \$2.00 so order NOW for your active Legion Scouters. Use the handy order blank appearing to the right. Just mail it to your Department Adjutant, P.O. Box 2910, Bloomington, IL 61702-2910
