

POW/MIA meeting

Oct. 3, 2020

Dept. of Illinois Headquarters

1st Division Derrick Stinson, excused

2nd Division Keven Kostuchowski, excused

3rd Division Sam Rice, present

4th Division Chella Yeakel, present

5th Division Ruthie Welty, excused

All members are willing to continue on this committee.

Several of our committee members attended services for former MIAs from Illinois whose remains were recently identified and returned for proper burial.

Chella will look into getting a complete list of MIAs from Illinois for future reference.

Due to no State Convention this year we were unable to have our POW/MIA booth to give out t-shirts and other information. Sam divided up all the shirts into 5 Divisions and brought them to this meeting to distribute to each member. Since so many were absent he will get them to each member so they can get them out at their Division meetings.

Chella and Sam also discussed a few ideas for our booth at the 2021 Convention if that takes place.

Sam will call Dept. to schedule our next meeting for the Spring DEC meeting.

Thank you for allowing me to serve.

Sam Rice, Chairman
